

LivingWell Cancer Resource Center Wellness Programs and Services

Medical Release Form

We are requesting approval for your patient (first and last name) _____
DOB ____/____/_____ to participate in our Wellness programs.

The goal of our programs are to support healing, reduce stress and fatigue, and improve sleep.

Classes are designed specifically for cancer patients to improve strength, flexibility, range of motion, circulation and balance; and combat common treatment side-effects such as osteopenia/osteoporosis, lymphedema, neuropathy, and pelvic muscle weakness.

Please check the appropriate boxes below:

(Note: All classes are modified for individuals pre or post cancer treatment)
