Creamy Polenta with Wild Mushrooms

Ingredients:
1 Shallot Peeled and minced
2 cloves of garlic, peeled and minced
1 ounce porcini mushrooms, soaked 30 minutes in 1 cup of water that has just been boiled, and coarsely chopped
1 pound wild mushrooms (such as cremini, chanterelle, or shiitake), thinly sliced
freshly ground black pepper to taste
1 batch basic polenta, kept warm (1 ½ cups coarse cornmeal 1/4 teaspoon salt, or to taste)
Chopped parsley

Instructions:
For the polenta-
• Bring 5 cups of water to a boil in a large saucepan.
• Whisk in the cornmeal, a little at a time. Cook, stirring often, until the mixture is thick and creamy, about 30 minutes.
• Season with salt and serve, or pour the polenta into a pan and refrigerate until set, about 1 hour.
For the mushrooms-
• Place the shallot and garlic in a large saucepan and sauté over a medium-low heat for 5 minutes. Add water 1-2 tablespoons at a time to keep the vegetables from sticking to the pan. Add the porcini mushrooms and their soaking liquid and the wild mushrooms.

Wild Rice and Havarti-Stuffed Acorn Squash

Ingredients:

Squash-
2 medium acorn squash, halved through the stem and seeded
2 tablespoons salted butter, melted
2 tablespoons packed light brown sugar
1 teaspoon grounded cinnamon
freshly ground pepper

Wild Rice-
1 cup uncooked wild rice
2 tablespoons extra virgin- olive oil
6 cups baby spinach
1 canned chipotle pepper in adobo, chopped
1 tablespoon chopped fresh dill
1 cup roasted pistachios, chopped
1 cup dried cranberries kosher salt and freshly ground pepper

Brown butter Bread Crumbs-
2 tablespoons salted butter
1 cup panko bread crumbs
2 tablespoons finely chopped roasted pistachios
1 cup shredded Havarti cheese
Chopped fresh parsley

Instructions:

• Preheat oven to 450 degrees Fahrenheit.
• Roast the squash- brush cut sides of the squash with the melted butter and sprinkle with brown sugar and cinnamon. Season with pepper. Place cut-side up in baking dish and bake for 45-50 minutes, or until the flesh is fork tender. Remove from the the oven (leave the oven on) and brush the liquid from the baking dish around the flesh of the squash, coating the squash well and trying to use all the liquid.
• Make the rice- Bring 2 cups of water to boil in a medium sauce pot over high heat. Add the rice, cover, and reduce the heat to low. Simmer 35-45
minutes, or until all of the water has been absorbed and the rice is tender. Add the olive oil and spinach and toss to combine. Cover the pot again and allow the spinach to wilt, about 10 minutes. Remove the pot from heat and stir in the chipotle, dill, pistachios, and cranberries. Season with pepper.

• While the squash and rice cook, make the bread crumbs. In a medium skillet, melt the butter over medium heat. Cook until it is browned and smells nutty, about 5 minutes. Remove the skillet from the heat and whisk the butter for about 30 seconds more. Stir in the bread crumbs and pistachios.

• Stuff the roasted squash halves with wild rice and top with Havarti cheese. Return to the oven and bake for 10-15 minutes, or until the cheese has melted and the squash is crisp. Remove from the oven and top with the bread crumbs and fresh parsley before serving.
