

# Broccoli Cheese Quesadillas

## Ingredients

1 cup cooked broccoli, chopped and steamed if desired  
1 cup mozzarella cheese  
¼ cup corn, drained  
¼ teaspoon garlic powder  
4 flour tortillas, 10 inch (can use whole wheat tortillas, too!)  
2 Tablespoons olive oil

Sprinkle broccoli, corn, cheese and garlic powder onto two flour tortillas.

Place additional tortilla on top.

Begin warming on medium setting, non-stick skillet with olive oil.

With spatula, transfer tortillas to skillet. Heat for about 8-10 minutes each side, monitoring closely.

Cut into wedges. Enjoy!
