Program Registration

All programs and services at LivingWell Cancer Resource Center, part of Northwestern Medicine, are provided at no cost to people impacted by cancer (patients, caregivers and family members), no matter where they are receiving medical care. Priority will be given to people in active treatment.

Register for programs at livingwell.nm.org. If you need help logging in, view instructions at bit.ly/lwlogin.

We recognize in-person programs may not be the right fit for you, and we encourage you to talk to your care team if you have questions. Virtual and on-site programs are indicated throughout this guide.

Please register for in-person classes at least 24 hours before class starts. If you cannot attend a class, please notify us at least 24 hours before the class starts.

On-site health and safety measures
Northwestern Medicine is committed to the health and safety of the communities we serve. Event details are subject to change based on community spread of COVID-19. We will follow Northwestern Medicine safety guidelines at the time of the event.
You can help protect yourself and those around you by getting vaccinated against COVID-19. Learn more at nm.org/covid19.

Masking and screening
Everyone must wear a mask while in a LivingWell Cancer Resource Center. If you arrive wearing your own mask, we will ask you to replace or cover it with a mask provided by LivingWell. We will screen participants for COVID–19 symptoms as they enter LivingWell.

Counseling and Social Work Services

LivingWell oncology-trained and licensed counselors and social workers specialize in supporting individuals, families and children impacted by cancer. They are available to provide support to you, at any phase of cancer care.

**Counseling**
The emotional experience of cancer treatment can be as challenging as the physical part. Our team of counseling professionals can help you discuss your thoughts, feelings and reactions to a diagnosis. Both in-person and virtual counseling services are available.

To schedule an initial consultation, please email counseling@livingwellcrc.org.

**Social work**
LivingWell’s licensed social workers connect patients to resources and education to help reduce stress and remove barriers to care. Resources are available to help you with:
- Transportation
- Lodging
- Managing household finances
- Employment challenges

Social workers are also available to help you cope after a diagnosis and treatment changes. To connect with a LivingWell social worker, please email socialwork@livingwellcrc.org.
Survivorship Programs

I've Finished Cancer Treatment, Now What? Survivorship 101
Virtual discussion via Microsoft Teams
Monday, April 3, 6:30 – 7:45 pm
Christopher George, MD, Medical Director, Medical Oncology, Northwestern Medicine Regional Medical Group
Cancer treatment can require your full attention and energy for months or even years. After treatment, you may feel emotionally and physically drained, you may even feel disoriented as you try to adjust to life after treatment. Join Dr. George as he talks about what to expect as a cancer survivor and how to work with your care team as you recover from treatment.

Register at livingwell.nm.org to receive a link to join this virtual discussion.

Back-on-Track Surviving Survivorship Series
Virtual discussion via Microsoft Teams
Mondays, March 6 – April 17, 6:30 – 7:45 pm
Missy Petty, LCPC, Lead Counselor, LivingWell Cancer Resource Center, part of Northwestern Medicine
Open to patients and caregivers, this seven-week “Back-on-Track: Surviving Survivorship” series is designed to help you navigate common challenges as you transition into survivorship.

Topics include changes in relationships, managing expectations, addressing anxiety and depression, the “new normal,” fear of recurrence, how to partner with your care team, managing your health records and envisioning a positive future. Attendance throughout the entire series is encouraged but not mandatory.

APRIL

Talking With Kids About Cancer
Virtual: Thursday, April 13, 6:30 – 7:30 pm
Cassie Nieves, LCSW, Counselor, LivingWell Cancer Resource Center, part of Northwestern Medicine
Talking with children about cancer can be hard. Join LivingWell counselor, Cassie Nieves, to learn age-appropriate tools and terms for explaining cancer and cancer treatment to children. You will also learn how to help children navigate their feelings, as well as different ways to support them as they process their loved one’s diagnosis.

Reshaping Your Self-Image
A cancer diagnosis can bring physical changes that can shift your perspective of your self-image. This two-part series presented by Nancy Nieto, LPC, NCC and Cheri Hunt, art instructor, is aimed at helping process the changes that cancer brings in a safe and creative environment. Registration for both sessions is recommended, but not required.

Reshaping Your Self-Image: Part 1
In Person (Warrenville):
Wednesday, March 15, 6 – 8 pm
Part one of this two-part series will provide an opportunity to explore the impact of physical and emotional changes after a cancer diagnosis. It will give you a chance to express how those changes have shaped your self-image utilizing artistic expression, written reflection and open discussion.

Reshaping Your Self-Image: Part 2
In Person (Warrenville):
Wednesday, March 29, 6 – 8 pm
In part two of this two-part series, you will learn strategies to start navigating your path to self-love and self-acceptance. You will have an opportunity to create an artistic statement about their journey.
**APRIL**

**LivingWell Book Club**

Virtual: Tuesday, April 25, 5 – 6 pm  
Nancy Nieto, LPC, NCC, LivingWell Cancer Resource Center, part of Northwestern Medicine

Touch Therapy

Talk to your physician about any concerns you may have before scheduling a touch therapy appointment at LivingWell Geneva or LivingWell Warrenville. Your physician must complete a Medical Release Form and LivingWell must receive it before your first appointment. A Release of Liability Form is also required for on-site services. We offer a maximum of five touch therapy appointments for patients diagnosed with cancer.

Make an appointment at livingwellcrc.org/touch-therapy for any of the following types of touch therapy.

**Massage**
A light, relaxing massage can be enjoyed by people at all stages of cancer. Massages have been shown to:
- Reduce stress, anxiety and depression
- Help with circulation
- Boost your immune system
- Reduce pain and fatigue
- Improve sleep

**Facials**
Experience the benefits of a gentle, hydrating facial given by a licensed, oncology-trained esthetician.

**Reiki**
Reiki is a gentle relaxation therapy that involves a practitioner using their hands to direct and improve the flow of energy to help support your body’s own healing process.

**Reflexology**
Reflexology is the practice of applying appropriate pressure to specific areas of the feet that link to different parts of the body and corresponding organs. This technique can decrease pain, stress, nausea, anxiety and depression while boosting circulation that can increase energy.
Healing Through Art

Art is a beautiful way to express yourself, explore untapped creativity, manage stress and connect with others. All LivingWell classes are led by our art instructor, Cheri Hunt, and no previous art experience is needed. Supply lists will be emailed to you after you register. Attendance throughout each series is highly encouraged but not required. Check the Healing Through Art Schedule on page 17 for class dates and times. Register for classes at livingwell.nm.org.

JANUARY THROUGH APRIL

Wig Boutique and Consultations

At LivingWell, we are committed to supporting you throughout your cancer journey. That includes offering wig consultations and workshops to help you feel better and more confident.

For patients experiencing hair loss because of cancer treatments, LivingWell offers both virtual and in-person wig consultations. Our wig specialists will help you choose a wig that fits your needs and lifestyle.

Schedule a wig consultation at livingwell.nm.org.

Beautiful You Workshop
Living Well Geneva
Wednesdays, January 18, March 15, April 12
4:30 – 6:00 pm

Jenny Burns, Salon Owner, Stylist and Makeup Artist

If you are experiencing hair loss from cancer treatment, Beautiful You is designed to help you feel beautiful inside and out. Jenny Burns, a Geneva-based salon owner, stylist and makeup artist, will help you learn how to care for your scalp and hair regrowth. She will also work with you to choose the best-fitting wig, accessorize with scarves and hats, and recreate natural-looking eyebrows with an eye pencil.
Nutrition Classes

LivingWell offers nutrition classes designed to help patients with cancer and their caregivers make informed choices about nutrition and move through cancer treatment into survivorship.

Classes are virtual via Microsoft Teams and are led by Northwestern Medicine and LivingWell dietitians, Nancy Zawicki, RD, LDN, MS, and Mary Zupke, RD, LDN, MS, FAND. Classes include a cooking demonstration that complements each cancer-related topic. Check the Nutrition Class Schedule on page 20 for class dates and times. Register at livingwell.nm.org.

JANUARY

Warm Up With Winter Soups and Stews
Virtual: Wednesday, January 11, 6 – 7 pm
Soups can help you stave off the cold and flu, and they’re a great antidote for times when you are sick too! Learn how most soups are loaded with disease-fighting nutrients and can give your immune system a boost.

Gut Heath – Prebiotics and Probiotics
Virtual: Wednesday, January 25, 1 – 2 pm
Gut bacteria, collectively referred to as the gut flora or gut microbiota, perform many important functions in your body. Explore how eating balanced amounts of probiotics and prebiotics can help ensure that you have the right balance of these bacteria to keep your gut microbiota healthy.

FEBRUARY

Budget-Friendly Meal Prep for Delicious Meals
Virtual: Wednesday, February 8, 6 – 7 pm
Meal preparation enables you to eat your favorite meals while pre-determined portion sizes helps ensure that you don’t eat more than your body needs. This is scientifically linked to a more diverse, higher-quality diet. Understand how having well-balanced meals on hand will help you manage what you eat and help you stay on track with your personal diet goals.

Beans for Plant-Based Meals
Virtual: Wednesday, February 22, 6 – 7 pm
Beans and legumes are excellent sources of dietary fiber, protein, vitamins B, and many other important vitamins and minerals. They may help reduce your blood sugar, boost your heart health and maintain a healthy gut. Learn how to incorporate them into your diet.

MARCH

Benefits of Fish and Omega-3 Fats
Virtual: Wednesday, March 8, 1 – 2 pm
Omega-3 polyunsaturated fatty acids (PUFAs) are considered immunonutrients, and they are commonly used in nutritional therapy for people with cancer because of their many biological effects. Learn more about how to add more fish to your menu.

How to Increase Protein in Meals and Snacks
Virtual: Wednesday, March 22, 1 – 2 pm
A high protein intake can offer numerous benefits, and helps build and maintain muscle, which is important for those with cancer who may be having problems eating and are losing weight.
APRIL

**Gear Up for Spring With Healthy Habits**
**Virtual: Wednesday, April 5, 1 – 2 pm**
Someone’s chances of developing cancer are often affected by the lifestyle choices they make. Some simple lifestyle changes may make a difference. This class will teach you about these healthy tips.

**The Power of Antioxidants and Herbs**
**Virtual: Wednesday, April 19, 6 – 7 pm**
Antioxidants are natural compounds produced in plants that react and neutralize free radicals, reducing oxidative stress and inflammation. Spices and herbs are the most potent antioxidant foods, and they can be easily added to numerous dishes, enhancing flavor and potentially providing health benefits.

**Nutrition Consultations**
Sandie Hunter, RD, LDN, MS, CSO, clinical nutrition manager at Northwestern Medicine, can answer your questions and help you learn about nutrition recommendations that can help you during cancer treatment. Consultations are limited to people diagnosed with cancer.

To make an appointment, please complete the form at bit.ly/lwnutrition. You may also email your questions to askadietitian@livingwellcrc.org.

Mindful Movements

Support healing, increased flexibility and range of motion, and reduce stress with fitness and yoga classes modified for a variety of needs. Hybrid classes offer opportunities to join at the specified class location or virtually via Microsoft Teams. Check the Mindful Movements Schedule on page 23 for dates and times. Register at livingwell.nm.org.

**Yoga**
- Hybrid Geneva: Mondays, 10:15 – 11:00 am
- Hybrid Geneva: Tuesdays, 5:00 – 5:45 pm
- Hybrid Warrenville: Thursdays, 5:30 – 6:15 pm
- Hybrid Warrenville: Fridays, 10 – 11 am

Build strength, balance and flexibility while becoming more mindful. This gentle and sometimes invigorating class will help you manage stress as you tune into your mind/body connection. Class may include both standing and mat yoga poses.

**Chair Yoga and Standing Balance**
- Hybrid Geneva: Mondays, 5:00 – 5:45 pm
- Hybrid Warrenville: Tuesdays, 11:15 am – Noon

Standing time is associated with improved cardiometabolic health, and a lower risk of all-cause mortality and cardiovascular disease. This class encourages you to practice standing balance exercises in a safe environment following a seated mobility session.

**Movement for Bone Health**
- Hybrid Geneva: Wednesdays, 10:15 – 11:00 am
- Hybrid Warrenville: Tuesdays, 10:15 – 11:00 am
- Hybrid Warrenville: Thursdays, 11:15 am – Noon

People de-conditioned by cancer treatment and those who have osteoporosis/osteopenia can be prone to falls and fractures. This standing class will emphasize strength training to help increase your bone density.

**Chair Yoga**
- Hybrid Geneva: Mondays, 11:15 am – Noon
- Hybrid Warrenville: Thursdays, 10:15 – 11:00 am

Receive the benefits of yoga from the safety of a chair. This class will focus on posture, flexibility, proprioception, mindfulness and mobility from a seated position.

---

**Schedule an exercise consultation**

If you have questions about exercise and any limitations related to your cancer diagnosis or treatment, please email LivingWell Wellness Coordinator Erin Bloodworth at erin.bloodworth@nm.org to schedule a consultation. Please include “schedule exercise consultation” in your subject line.
Chair Fitness for Lymphedema and Neuropathy
Hybrid Warrenville: Tuesdays, 12:15 – 1:00 pm
